

## ORGANIZATIONAL DETAILS

- The course is free of charge
- Travel and accommodation expenses will be covered only in case of early-career researchers and PhDs coming from European countries
- No costs are covered for people not involved in research activities (e.g., practitioners and policy makers)
- Participants will be selected on the basis of interest and CV
- Notification of acceptance will be sent after the selection process is completed

2 weeks before the beginning of the course, we will provide participants with preparatory material.
